**AGREED PROTECTIVE ORDER REGARDING STATE VOTER REGISTRY DATA**

---

As demonstrated by the signatures of adversary counsel below, the Parties recognize that the use of data contained in the statewide voter registration list compiled by the Tennessee Secretary of State as required by Tenn. Code Ann. § 2-2-301 is restricted by Tenn. Code Ann. § 2-2-138(e). Accordingly, the Parties agree to the following terms for the production, review and use of the statewide voter registration list, and further agree that all data contained within the statewide voter registration list shall be subject to this Order.

1. Use of the statewide voter registration list and all data contained therein is restricted exclusively to the prosecution of, and the defense of, claims asserted in this action, and as such may not be used for any other purpose. The statewide voter registration list and all data contained therein is designated for counsels' eyes only (including counsels' respective associates, clerks, legal assistants, stenographic, and support personnel to whom disclosure is reasonably necessary, and expert witnesses, consultants, and their staff as further described in Paragraph 2 below), and copies or the contents of said records shall not be disclosed or published outside the instant matter in any manner except as provided here.

2. With the exception of expert witnesses and consultants specifically retained for this action (including their staff), Plaintiffs shall not transmit, deliver, or otherwise convey the statewide voter registration list, or any data contained therein, to any non-party to this action.
3. The terms of this Order do not preclude the use of the statewide voter registration list and all data contained therein at trial, depositions or in any other hearing in this matter. Any use of the statewide voter registration list and all data contained therein shall be filed under seal or redacted to protect the identifying information of each voter in the list.
4. Within 30 days of the conclusion of this action, including the conclusion of all appeals thereto, counsel for Plaintiffs shall (a) destroy all hard copies of the statewide voter registration list and documents generated or derived from the data contained therein, (b) delete all digital copies of the statewide voter registration list and documents generated or derived from the data contained therein, and (c) certify in writing to counsel for Defendants that all digital and hard copies of the statewide voter registration list and all documents generated or derived from data contained therein have been destroyed and that neither Plaintiffs, their counsel, nor their retained experts and consultants continue to possess the statewide voter registration list or data contained therein. Notwithstanding the foregoing, this provision shall not be applicable to (a) any documents filed with the Court or disclosed during expert discovery which may contain data from the statewide voter registration list or (b) any internal work product of counsel which may contain data from the statewide voter registration list.
5. In the event of any dispute arising out of a past or anticipated use of the statewide voter registration list or data contained therein, which the Parties are unable to resolve, the Parties will follow the discovery dispute procedure in the Initial Case Management Order. Dkt. 47 at 4-5.

It is SO ORDERED.
